SOURCES (SHRI KALP NATH RAI): (a) to (c) Discussions are being held with the World Bank regarding the financing of the power generation projects of the National Thermal Power Corporation (NTPC). One of the points under discussion pertains to World Bank funding NTPC joint sector projects with Indian and foreign private partners.

Prior Permission for operation of Air Conditioner

4627. SHRI SYED SIBTEY RAZI: Will the Minister of POWER AND NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

(a) whether any prior permission for operation of air conditioner in domestic and commercial premises is required;

(b) if so, what are the formalities required separately for each category with charges;

(c) whether any penalty has been fixed for operation of air conditioner without any formal permission;

(d) whether this penalty also includes disconnection of electricity of the defaulter;

(e) if so, the details thereof;

(f) whether any surprise checks are being undertaken by officials of D.E.S.U. or Delhi Administration in this regard; and

(g) if so, the details of such checks undertaken locality-wise during 1991?

THE MINISTER OF STATE OF THE MINISTRY OF POWER AND NON-CONVENTIONAL ENERGY SOURCES (SHRI KALP NATH RAI): (a) to (g) Air-conditioning loads for domestic and commercial purposes in Delhi require the sanction of Delhi Administration. The commercial and other formalities required to be fulfilled are the same as for other domestic/non-domestic loads. Use of air-conditioning loads even if the consumer is in possession of a valid permission of Delhi Administration is prohibited during restricted peak hours (6.30 PM to 10 PM) under the Delhi Electricity Control Order, 1959, except in respect of certain exempted categories. Contravention of this provision involves disconnection of supplies for a period of 4 days in case of first contravention and for 7 days for each subsequent contravention after giving 48 hours notice. Surprise checkings in this regard are generally carried out by DESU during the periods of power crises. Details of circle-wise checkings carried out by DESU against violation of use of Air-conditioners during 1991 are as follows:

North	..	110
West	..	56
South	..	133
Central	..	95
North-West	..	11
East	..	33
Total	..	438

Timing for Collection of Electricity and other payments by D.E.S.U.

4628. SHRI SYED SIBTEY RAZI: Will the Minister of POWER AND NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

(a) whether D.E.S.U. has set up Departmental Offices for collection of electricity and other payments;

(b) if so, what are their locations, locality-wise;

(c) whether D.E.S.U. has also set up mobile departmental offices for collection of electricity and other payments;

(d) if so, their locations, locality-wise, alongwith timings of their functioning;

(e) whether D.E.S.U. has also made arrangements for payment of electricity and other payments at any of its departmental offices of Delhi although the payment might pertain to a different office; and

(f) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF POWER AND NON-CONVENTIONAL ENERGY SOURCES (SHRI KALP NATH RAI): (a) to (f) The requisite information regarding departmental offices/mobile cash collection vans of DESU for collection of electricity bills and other payments are given in the statement (*see* below). The timings of mobile cash collection vans are from 10.00 AM to

3.00 PM and the actual dates of their visits are indicated in the electricity bills pertaining to respective areas. Payment of electricity bills can be made at any cash collection office irrespective of the area of billing. Payments relating to other than electricity bills can be made at the respective district cash offices only. The bills respect of bulk supply consumers are payable at the Rajghat Office of DESU.

Circle Central

A) Distt. CCK:		
1.	Minto Road	Once in a cycle of two months.

Power deficit in Rajasthan

4629. SHRI RAMDAS AGARWAL: Will the Minister of POWER AND NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

(a) whether the Central Government are aware that Rajasthan's deficit in terms of power and energy during 1991-92 and current year is likely to increase to 44.9 per cent and 40.10 per cent, respectively, by the end of Eighth Five Year Plan period even after taking into account the allocation of power from the Central Power Generating Stations;

(b) if so, what steps Government have taken till date for allocation of more share to Rajasthan from the Inter-State Power Projects namely Thein, Anandpur Sahib, Mukerain UBDC State II, Shahpura Kandi Hydro Electricity Project and for sanctioning/exploring new generation scheme in Central/State Sector? and

(c) what progress has so far been made for clearance of such projects and for inclusions in Eighth Plan period, particularly, Dholpur project?

THE MINISTER OF STATE OF THE MINISTRY OF POWER AND NON-CONVENTIONAL ENERGY SOURCES (SHRI KALP NATH RAI): (a) and (c) The Eighth Five Year Plan has not yet been finalised.

(b) An agreement between Punjab, Rajasthan, Haryana and Central Government signed on the 10th May, 1984 provided for making a reference to the Supreme Court to decide on the entitlement of Haryana and Rajasthan to share in the power generated in these projects. The Government of Punjab requested that the agreement to examined afresh by the Government of India. The Government of Rajasthan have reiterated their request for implementation of the inter-state agreement. The matter has been referred to the new Government of Punjab for its views.

Details of power projects in Rajasthan which are sanctioned/orgoing and which are under examination in CEA are as follows:—
